Dear SRA-New England Members:

I just briefly wanted to let you know that Drs. Donna Vorhees and Sandy Baird have agreed to take over co-Presidency of the Chapter for the coming year. They both have been long-time supporters of the group and have been very active in the fields of exposure assessment and toxicology. We have talked to a number of you over the summer to try and refine the activities of the chapter to better meet the needs and interests of the membership. With their enthusiasm and contacts in the field of risk assessment and input from you, I am sure that the year ahead will have a variety of interesting and thought-provoking speakers.

Please make note that the [first scheduled session this coming fall will be on Wednesday, October 10.](#) An announcement will be forthcoming in the coming weeks as well as some insight from them on their plans for the coming year.

I'd like to thank a number of people for their help and support this past year: Igor Linkov, Jo Anne Shatkin, Tom Angus, Arlene Levin, Karen Vetrano, Lydia Thompson, Jane Parkin and finally, all the presenters this past year.

I look forward to seeing many of you in the audience with me this coming year!

With best wishes,

Michael Hutcheson
Outgoing President
